This responds to EPA's March 26, 2020 general notice letter inviting MidAmerican Energy Company to negotiate an Administrative Settlement Agreement and Order on Consent for the performance of an Engineering Evaluation/Cost Analysis for the subject site (response due April 10 and extended to April 15, 2020). I understand that EPA Region VII is analyzing the information that MidAmerican Energy provided dated April 3, 2020 along with MidAmerican Energy's denial of liability and therefore no response to the general notice letter is required at this time.

Thank you,
